Jared Reyes

Front-end Web Developer

Tucson, AZ 85757

jaredreyes039@gmail.com

+1 520 940 1534

Young freelance front-end web dev, full-time engineering student, and past photographer with a high sense of self-discipline and responsibility excited to bring my front-end development skills to a new environment that hosts the security and camaraderie freelance work lacks.

Authorized to work in the US for any employer

Work Experience

Freelance Front End Web Developer

self-employed - Tucson, AZ

March 2021 to Present

• 10000+ hours experience across HTML5, CSS3, JavaScript, and React.JS
• Use problem solving techniques for testing and debugging code
• Foundational experience w/ Git for version control
• Prevent miscommunication problems by maintaining a stable code architecture that is human readable
• Intermediate experience in UI/UX design using tools like Figma and Adobe Photoshop to create templates and ideas for site layouts and designs
• Experience with implementing GSAP.js, anime.js, and three.js for unique, interactive web animations
• Familiarity with Fetch API
• Familiarity with backend PHP

Freelance Photographer

self-employed - Tucson, AZ

October 2018 to January 2022

• Experience w/ Adobe Illustrator, Lightroom, and Photoshop for editing photos and designs
• Applied careful attention to detail in every project to produce quality content that satisfied client requests
• Planned out scenes, designs, layout plans, and more for various photoshoots within strict time constraints
• Maintained an organized work flow system based on common project management techniques
• Presented to every shoot and meeting with an upbeat, positive attitude ready to produce quality work
